Sir,

I have the honor to state that the Amildár of Tumkúr reports that the pilgrims and the travelling public proceeding to the Vévaráyadurga Hills from the Nobbapete side via Huradagéré are put to much inconvenience for want of a good road direct to the Hills, and therefore recommends that the road leading from Huradagéré direct to Vévarayadurga, which is in existence but very badly cut up on account of abandonment, may kindly be improved and brought up to standard to save people from taking a circuitous route. The matter

was placed before the District Board and passed in their meeting held on the 7th ultimo. A copy of their Resolution is herewith submitted. As the road seems necessary, the same may be sanctioned, —

I have the honor to be

Sir
